I love the smell of **Autumn** in the morning...

*(smells like knitting!)*

## Life/Yarn

I missed my newsletter for August, I was a trifle busy! Every day involved knitting, but also a fair amount of travel, good eats, great classes and lots of love. But not a lot of writing...

An intense Spring of design deadlines allows me to reap the harvest of lovely editorial images from various magazines

## Lecturing at MIT near bikes

Gerry in a Bog in Canada

Watch for my new designs, they'll be popping up all over the place!

Slowly I'm inching my way back to a more active teaching schedule, hurray!

This past month I taught in Iceland, Boston & Rhode Island and loved EVERY moment of each trip!
